

Indicative Study Planner

Course: MSc Cyber Security

Start Date: 31/05/2022

Indicative Study Duration: 24 months**

Credits: 180

This Indicative Study Planner assumes that:

- No further study leave is taken in addition to breaks already scheduled between modules
- No module resits or resubmission are necessary
- Module durations remain the same throughout your studies
- The modules specified are available when required. Please note the below sequencing may be affected by student numbers

Please note:

- This study planner is designed as an example of a 24 months study duration.
- A minimum of 30 credits must be attempted in any 12 month period
- The maximum allowed period of study for this course is 72 months.
- Start dates are subject to change. Sufficient notice will be provided of any change.
